## Trinity Academy of Engineering Celebrates 78th Independence Day

**15th August, 2024 - Thursday**

On the historic occasion of India's 78th Independence Day, KJ's Educational Institute marked the day with a grand celebration on the college campus. The entire institute came together to celebrate this national festival with zeal and respect, honoring the country's freedom fighters and the sacrifices that paved the way for India's independence.

The day began with the hoisting of the national flag by senior members of the institute, amidst cheers and applause from students and faculty. As the flag ascended into the sky, the national anthem was sung in unison, filling the campus with a sense of pride and patriotism. The sight of the tricolor waving high against the backdrop of the institute symbolized the freedom and unity that the nation upholds. Balloons, ribbons, and rangolis added to the festive atmosphere, transforming the campus into a vibrant representation of national pride. The stage was set with a backdrop that read "KJ's Educational Institute: 78th Independence Day," highlighting the theme of this year's celebration, which focused on India's progress and its journey towards becoming a self-reliant nation. Students were encouraged to reflect on the lessons learned from the day's celebrations.

The 78th Independence Day celebration at KJ's Educational Institute was not just a day of remembrance but also an event that inspired students to take pride in their nation and contribute towards its development. Through cultural performances, speeches, and discussions, the event successfully instilled a sense of responsibility, unity, and patriotism among the students and faculty alike. The celebration was a testament to the spirit of freedom and the resolve to build a brighter future for India.

## Ganesh Chaturthi by Trinity Academy: A Special Event

**8th September, 2024 - Sunday**

The auspicious festival of Ganesh Chaturthi was celebrated with devotion and enthusiasm by Trinity Academy of Engineering. The event was organized by the students and faculty, creating a spiritual and festive atmosphere on campus. The celebration commenced with a traditional prayer and aarti, where students and faculty gathered to offer their prayers and seek blessings from Lord Ganesha. The idol of Lord Ganesha was beautifully adorned with fresh flowers, garlands, and lights, adding to the divine ambiance of the event. The theme for this year's decoration was simple yet elegant, with an emphasis on environmental sustainability, ensuring the use of eco-friendly materials. The Ganesh Chaturthi celebrations by Trinity Academy of Engineering not only brought students and faculty together in devotion but also promoted the values of cultural respect, environmental consciousness, and community participation. The event successfully combined traditional rituals with modern sustainability practices, making it a memorable and meaningful celebration for everyone involved.

# Celebrating the Guides: Teacher's Day at TAE

**5th September, 2024 -Thursday**

On September 5, 2024, Trinity Academy of Engineering, Pune, hosted a warm and heartfelt celebration of Teacher's Day. The event, held in the college auditorium, honored the educators who play a crucial role in shaping the lives of students. The room was adorned with balloons, colorful decorations, and a backdrop reading "Happy Teacher's Day," creating a lively and festive atmosphere. Faculty members from different departments participated in the celebration, with speeches, cultural programs, and moments of gratitude shared by both students and staff.

# IIC Session: Empowering India Through Startups and Research

21st August, 2024 -Wednesday

Trinity Academy of Engineering held an IIC session focused on fostering innovation through startups and advanced research. The event explored the role of academic institutions in supporting entrepreneurial initiatives and emphasized collaboration for successful incubation and research, encouraging students to actively engage in building India's innovation ecosystem.

# TAE at Career Fair, Trinity International School

30th August, 2024 -Friday

# C++ Bootcamp Empowers SE IT & E&TC Students with Programming Skills

10th September, 2024 -Monday

On 10th and 11th September, a C++ Bootcamp was conducted for second-year students of IT and E&TC departments, organized by the GDGC club. The bootcamp aimed to provide students with a practical understanding of C++ programming, covering fundamental concepts like loops, functions, and object-oriented programming. The session was interactive and focused on real-time coding, allowing students to work on problem-solving exercises to enhance their coding efficiency.

# **Brainstorming Session on Teaching and Learning for New Faculty**

23rd August, 2024 - Friday

A brainstorming session led by the principal will be held today at 4:00 PM in the seminar hall. This session is designed for all new and interested faculty members to discuss innovative approaches to teaching and learning.
